John Robinson invites you to participate in the Doodle poll "Meeting on Groundwater Monitoring at Tower Standard Site."

Hi there,

John Robinson (John.Robinson@wisconsin.gov) invites you to participate in the Doodle poll "Meeting on Groundwater Monitoring at Tower Standard Site."

I am trying to set up a meeting to discuss the proposed locations and depths of the groundwater monitoring wells that will be installed as part of the investigation of the Tower Standard Site. Please let me know which of the dates work for you. We will finalize an agenda and location prior to the meeting. Please let me know if you have any questions.
